The Quality Hotel & Suites Oakville is looking forward to welcoming the Trillium Tours once again in May. At this time, I have put a block of 28 Suites and 12 Standard Rooms aside for your guests for 2 evenings beginning on Friday, May 5th, 2006.

Our hotel features 80 well-appointed guest suites that have been designed with today's traveler in mind. All of our guest rooms come complete with built-in hairdryers, full size ironing boards and irons, voicemail, colour televisions and complimentary in-room coffee service. On-site amenities include an indoor heated swimming pool, whirlpool, sauna and fitness centre in addition to five meeting rooms and a business centre which features high-speed Internet access. Located minutes away from downtown Oakville (Ontario, Canada), the Quality Hotel & Suites is easily accessible from all major highways and offers guests free parking.

While staying at the Quality Hotel & Suites, guests will have their choice of two on-site restaurants. Hampton's is a family oriented restaurant which is open daily for breakfast, lunch and dinner. Guests visiting Hampton's will enjoy dining on our outside patio overlooking the picturesque Bronte Creek or may decide to dine inside in our private dining room which offers an intimate and relaxing environment. In the evening hours, many of our guests enjoy meeting at Hampton's for a refreshing cocktail while watching the latest sporting event on our big screen TV. A 24-Hour Tim Horton's Restaurant is located on-site as well which offers guests a fresh selection of coffee and baked goods.

We are looking forward to welcoming you and your guests.

Best Regards,
Quality Hotel & Suites Oakville
