TFO TEAM REPORT ON REFEREES

Player Name:_____ **Team:**_____ **Date:**_____

This report is for the Team Managers to report on TFO Referees. Things the TFO is looking for are missed games, late arrivals, leaving early, conduct unbecoming, poor knowledge of the rules. Touch Football Ontario would also like to know who preferred ref's are and why, who uses good discretion in difficult situations, who officiates with enthusiasm on a constant basis, always running with the play, in the right spot. It is important to give feedback (good or bad). We prefer this report, rather than confrontation at the fields of play
