I would like to take this opportunity to welcome you all to the 2004 Labatt Early Bird Touch Football Tournament. As it is the first tournament of the new season we are hoping it will provide a successful start to the Trillium Tour for all those involved. There is a very strong field this year in all tiers, which should provide excellent competition in every draw: 54 Men's teams will be competing in 4 Tiers, and 12 Women's teams will compete in 1 Division. With the number of teams involved and the caliber of play expected from those teams we are expecting a number of highly contested Championship Games.

All tournament results will be available at the Tournament Headquarters located at Brant Hills Park, (Fields "G", "H", & "I") where he are proud to again have the *BUDWEISER BIG RIG*.

As with every tournament there are many individuals who assist in making the Labatt Early Bird a success.

SPECIAL NOTE

The G.H.T.F.A. is responsible for the conduct of all participating teams in the Early Bird, as such we ask that you conduct yourself in a responsible manner. This means using washroom facilities provided or in the immediate area. Drinking at any field location with the except of the Tournament Headquarters will result, in your team being removed for the tournament, and any future GHTFA Sponsored Events. Teams are reminded that they are responsible for the proper dispose of all their garbage at the playing fields.
