

We need your help to keep our Tournament fields in each and every City on the Trillium tour. There are the new Ontario Regulations Banning Smoking at sports fields and increased enforcement of existing alcohol laws. This is the LAW!!! The number of infractions at this event will determine TFO ability to rent Sports fields for future events. “Zero Tolerance Policy “

TFONT as the permit holders for the MA Sills facility on May 2/3, 2015 have been advised that during the weekend of the early bird there will be spot checks by Inspectors from the Alcohol and Gaming Commission of Ontario (AGCO) and the Tobacco Enforcement Branch at the Health Unit. There are newly implemented sections to the Smoke-Free Ontario Act, which specifically deals with sports fields. If infractions are found by the inspectors then not only is the individual liable for a significant fine but TFONT could be held liable as well.

Smoking is only permitted 20 meters outside of the fence line surrounding MA Sills on Palmer Road or Harder Drive. Consumption and possession of alcohol will only be permitted in the fenced in hospitality area outlined in the LCBO permit obtained by TFONT.

From this weekend onwards the following policies will be in place. Anyone caught by a TFONT executive or tournament official as contravening the zero tolerance policy will be immediately asked to leave the Sports field grounds. Failure to do so may result in an indefinite suspension from all TFONT events. The suspended party will have the right to apply for reinstatement to the discipline committee in writing or via email to dgerry@rogers.com

We will be very diligent in enforcing our policies as it impacts on our ability to provide our members, with the best facilities possible. We encourage all our members to be "self-policing" and make anyone they see contravening this policy aware of the ramifications not only towards them but to us all. Please notify a tournament official or call 416-574-6699 if an offending party continues to disregard the laws.

Hospitality area is located between fields A and B at the main complex in Belleville.

Thank you
TFO Executive
